www.flug.org.uk

Which CMS?

WordPress, Joomla! or Drupal?

If you need a web site that *you* can update easily and often, then you need a Content Management System.

Find out which Free Software CMS will best suit your needs.

Tuesday 14th December 2010

7pm–9pm

The Elephant Inn, 31 The Mall

Free demonstration. For more info:
www.flug.org.uk

FLUG is the Faversham Linux User Group, a volunteer-run organisation dedicated to promoting Free Software and Linux
